**FOSTERING STEWARDSHIP AS A WAY OF LIFE**

# Mass Schedule

## FIFTH SUNDAY IN ORDINARY TIME

*February 5, 2012*

In today's Gospel we hear of a great number of suffering people seeking the healing touch of Jesus. He could not respond to them all. But the Gospel also reveals Jesus, after praying in solitude, sensing an urgency to proclaim the Good News of his Father's redemptive love to those who suffer in the nearby villages and towns. Stewards are called to follow in Jesus' footsteps, to respond to those who suffer with compassion. How are we responding to the suffering in our world? How are we using our gifts to continue the works of Christ's redemptive healing?

## TREASURES FROM OUR TRADITION

The story of Job seems at first hearing to be an extension of February's gloom into the liturgy. The monumental suffering of a good man is so horrific that the laments of the front page of modern newspapers barely measure up. The whole story is not long to tell, but its resolution is of great comfort. We can trace in its plot the stirrings of a belief in an afterlife, and in God's great power to right every wrong and raise human beings from suffering.

In the Gospel, we see the fulfillment of these longings in the hand of Jesus, grasping an ill woman by the hand and raising her up to vibrant life. Peter's mother-in-law becomes her best self, attentive to her guests, providing hospitality, the warmth of her laughter, the delights of her kitchen. Last week, at Candlemas, candles were blessed, including baptismal candles for some not yet born. Today is a day to check the fragile flame of your own baptismal candle. Against February's customary lethargy, its background whines and ailments, the liturgy summons us to life, grasps us by the hand, and sends us to serve in Christ's name.

**SCRIPTURE STUDY PROGRAM:** We begin the second part of our 28 week parish Scripture study program the *week of February 12, with the Epistle of St. James*.
